Holmes Jr. College Library
Goodman, Mississippi

As we observe the fiftieth Anniversary of Holmes Junior College, The Horizons Staff presents in the section some of its history.

The beautiful campus where Holmes now stands was an unsightly clay hill until the Agricultural High School was established in 1911. There was such a strong demand for college training that in 1925 the authorities added the first year of college work to the course of study. After three years of experiment the Superintendent and Board of Education upon the advice of the Junior College Commission decided to go forward by adding the sophomore work. "Grow with a Growing Institution" was the motto then and it continues to the present time. Another slogan found in the early records was, "Education is Training for Complete Living."

ALMA MATER

"ALL HAIL TO THEE,
OH HOLMES J.C.
ALMA MATER, ALL HAIL!
THY VIRTUES HOLY
THY PRECEPTS TRUE,
GRAVEN ON OUR HEART,
SHALL NEVER NEVER FAIL.
THY CHILDREN HERE,
FROM YEAR TO YEAR,
AS WE GO FROM THY HALLS,
SHALL HONOR BRING
AND EVER SING,
LOVE AND PEACE DWELL
IN THY SACRED WALLS—"

WELCOME

In Memoriam

Mr. Ernest Wilson

1914-1975

Mr. Wilson was associated with the faculty at Homes for thirty-five years. During this time he served in many capacities - first as an instructor in mathematics, later as Dean of Men, Director of Guidance, and as Registrar. For the past fifteen years he worked diligently as Academic Dean.

Because our feelings are the same as theirs, we honor his memory by quoting the Dedication from the Horizons, 1958:

"A gentleman and scholar.

Dignity, understanding, wisdom, and humor.

Interest in HJC men and women.

Strong in character, sincere in friendship.

A honor to know, a privilege to be associated with.

Dedicated to the disposing of mental lethargy among his students.

Those are qualities which few men possess."

They Never Quite Leave Us

They never quite leave us, our friends who have passed
Through the shadows of death to the sunlight above;
A thousand sweet memories are holding them fast
To the places they blessed with their presence and love.
The work which they left and the books which they read
Speak mutely, though still with an eloquence rare,
And the songs that they sang, the words that they said,
Yet linger and sigh on the desolate air.

Margaret E. Sangster

President Frank Branch

To the Students,

In the forty years since I came to Holmes Junior College as teacher and coach, I have witnessed and been a part of many changes here. The one thing that has never changed, however, is the fact that most of our students have come to learn and to avail themselves of the many opportunities for growth and development.

Nothing has been more rewarding than to watch them as they, in later years, have taken their places in the world and in their communities as leaders with a keen sense of responsibility and high integrity; and I like to think that we, the administrators and faculty at Holmes Junior College, have had some small part in molding their lives.

I am sure that you, like those before you, will meet the challenges of our times with courage, honesty, and faith. To do this will require courtesy, self-discipline, persistence, and hard work. As you go from Holmes Junior College, I shall wish you well in your undertakings and ever be interested in your endeavors.

On June 30, 1976, after twenty years as your president, I shall retire. There have been many joys, many anxieties, and much hard work, but I have loved every minute of it!

May God's richest blessings come to you and to Holmes Junior College!

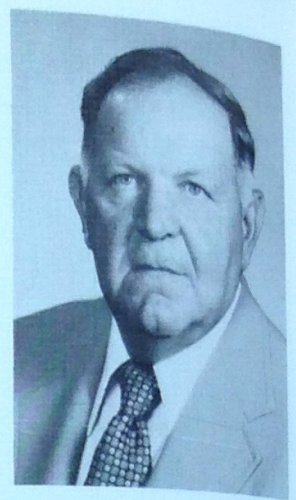

Sincerely your friend,

Frank B. Branch, President

Alumni Association

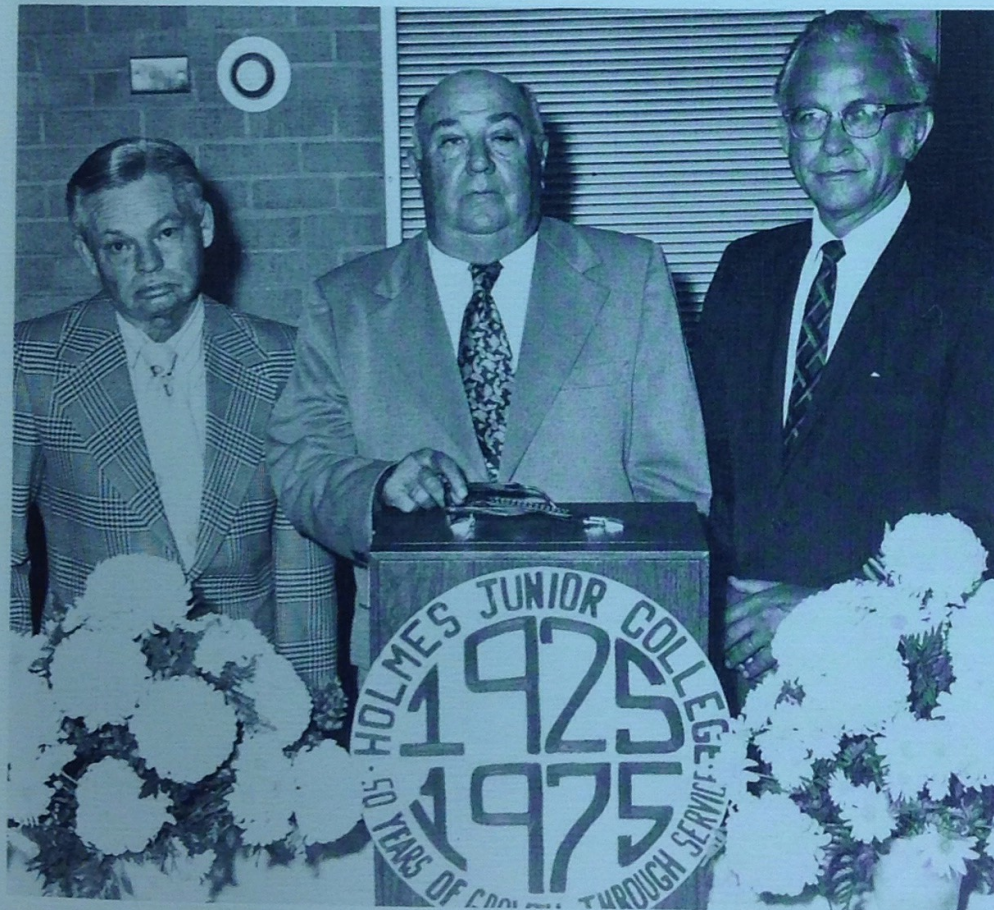

The Alumni Association initiated an awards program to honor some who have made significant contributions to Holmes Junior College. During Homecoming activities October 25, 1975, the first of these were presented.

Mr. H. O. Thomas of Vaughan received the Alumnus of the Year Award in recognition of his leadership as a student and of his service in the capacities of teacher, coach, Dean of Men, and Dean of Student Affairs.

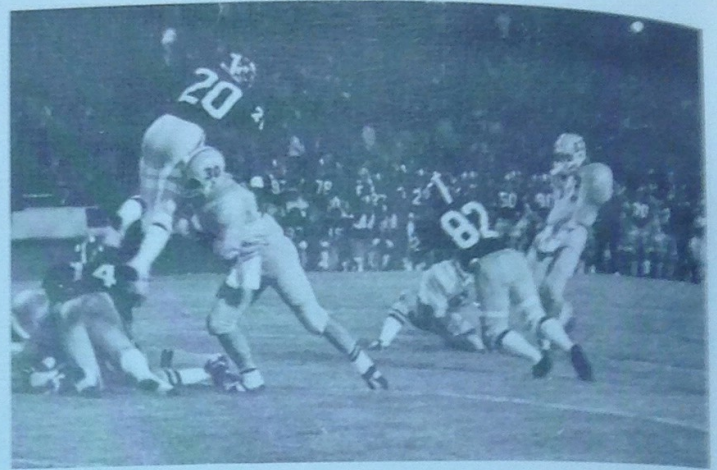

Mr. Frank Eakin of Thornton and Dr. A. A. Derrick, Jr. of Durant received Distinguished Service Awards for their efforts and interest in behalf of Holmes.

Mr. Eakin has served as a member of the Board of Trustees since 1942. During these years he has rendered tremendous service to the development of Holmes by his progressive ideas and foresight.

Dr. Derrick has served as physician for the athletes about thirty years. His dedication in this area and his support and interest in all phases of this institution earned for him this honor.

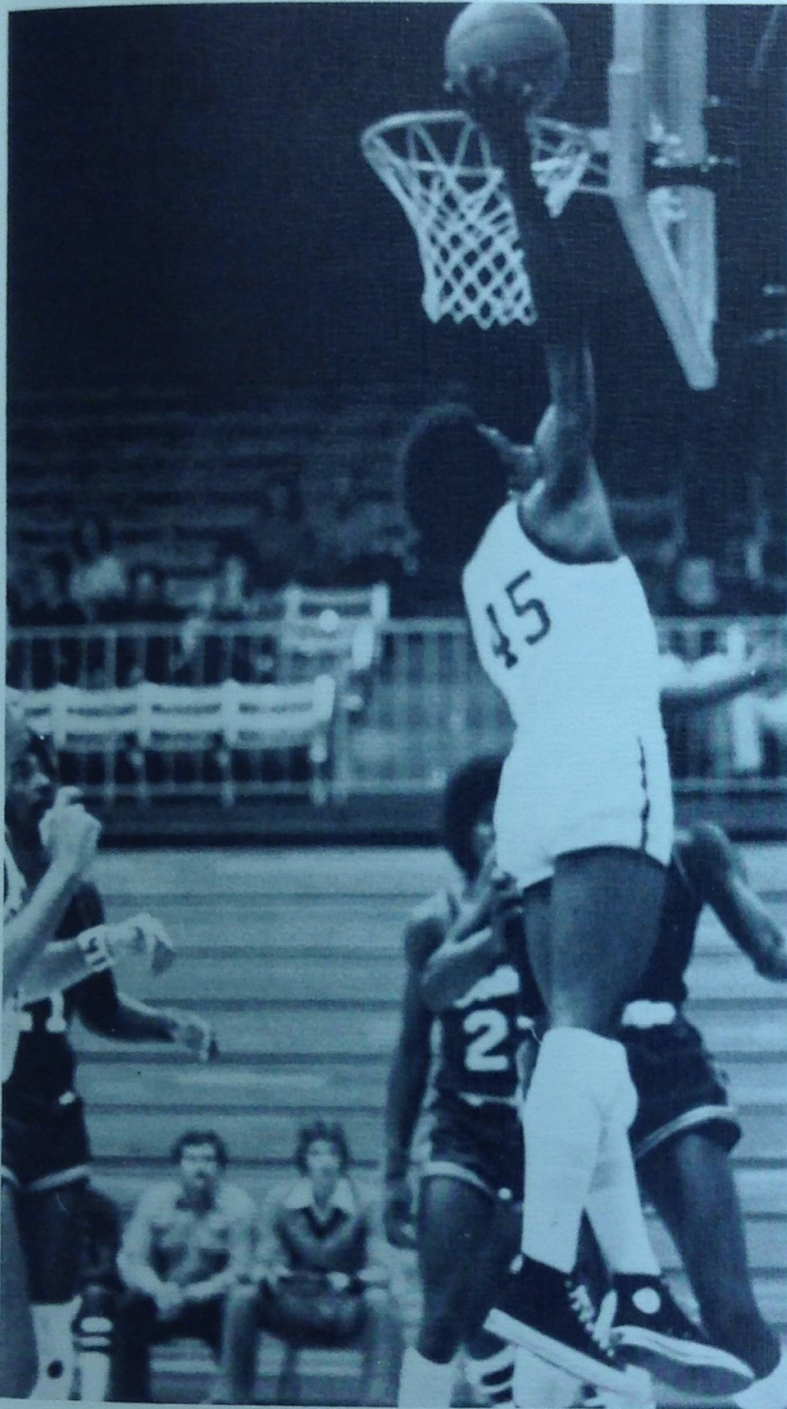

Mr. H. O. Thomas, recipient of the first Alumnus of the Year Award; Mr. Frank Eakin, recipient of Distinguished Service Award; Dr. A. A. Derrick, Jr., recipient of Distinguished Service Award.

There's no question about it. The most important part of the college experience is learning. And good times probably come in a close second.

In Army ROTC we offer the college student a little different kind of learning. And a little different kind of good time.

The Growth of HOLMES JUNIOR COLLEGE and your Education pays dividends — Best of Luck!

It just won't keep!

Too bad, but you can't put electricity in a jar and keep it!

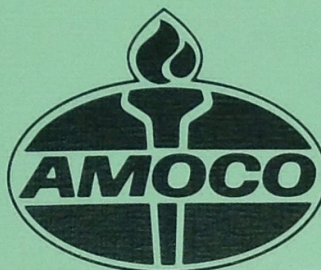

No, electricity has to be generated and transmitted at the very instant you need it. And as western Mississippi grows and develops, more and more electricity will be needed.

That's why Mississippi Power & Light is constructing Grand Gulf Nuclear Station, to be ready with dependable electric power. All you need...when you need it!

Editor's Message

The annual staff presents this yearbook with sincere hope that it will bring great enjoyment now and in the future.

There have been many long hours and much hard work put into each section of this book; therefore, I would like to take this opportunity to thank the many people who have made this yearbook possible. But most of all my thanks go to Miss Carithers who worked so diligently to make this annual a success. Without her guidance this yearbook could not have been compiled and presented to you.

I hope that this annual will make you feel a part of this wonderful institution as we celebrate our fiftieth anniversary. As you turn through the pages of the 1976 HORIZONS, it is my greatest wish that it will bring back fond and lasting memories of your days at Holmes Junior College.
